## ROSÉ

### LA BIBLIOTECA WINES

Honed by geology, reared in Oregon's incredible Willamette Valley, La Biblioteca wines are stories we pour for each other.

Our Estate vineyards- Aegrina in the McMinnville AVA and North Valley Estate in the Yamhill-Carlton AVA- are tended with care to produce low-yield fruit with optimal flavor. An elusive mix of winemaker's instinct, thoughtful blending, fine French Oak, and time work magic on crafting delicious wines of exceptional quality.

By lantern under the stars or at the cusp of new adventures, La Biblioteca brings together world-class winemaking with passion and creativity to be shared, enjoyed and handed down over time.

### 2022 ROSÉ

Picture it: after months of gloomy weather, the first days of spring arrive. A warm breeze, perhaps a new leaf or two, a daffodil blooming in the garden. This Rosé will take you there, even if the real thing is a few weeks or months away. Made from 100% Pinot Noir grown at our

Aegrina Vineyard in the foothills of the coast range, this wine will transport you to warmer months with aromas of fresh strawberry, pink grapefruit, and tea rose petals. Its fresh bright fruitiness is a perfect accompaniment to all the foods we love most. If it's spicy and packed with flavor, this rosé will pair with it.
